We will board the Norwegian Dawn at 12:30. Lunch will be served onboard and you will have time to get to know the ship.

This Ship is "Free Style Cruising" – this means you now go to eat when you want, to eat with whom ever you choose to dine with. No more sitting at the same table with the same people for a week. Best of all you get to choose the restaurant that you want to eat in each with a different menu. If you were on a vacation on land you would want these choices, now Norwegian Cruise Line is offering these choices while at sea.

Your ship sails at 4:00pm and your fun begins. The Casino opens once you are three miles out to sea, there will be a show in the evening and lots of activities. Your next day is at sea where you can relax and enjoy the shipboard activities. Perhaps you will want to go for a massage, play bingo or horseracing, visit the casino, take in an art auction or enjoy an enrichment lecture. There is so much to do and not enough time to do it all. On your third day you will arrive in Bermuda. You will find the air warm, the flowers in bloom, and the shopping grand. While in Bermuda your tour director will arrange optional excursions for you to visit the botanical gardens, golfing, island tours, sailing adventures, dolphin shows, or transportation to the beautiful beaches. You will have 4 ½ full days in Bermuda. On your six-day you begin your journey home arriving in Boston on day eight .
