

# TYE'S TOURS PRESENTS: TURKEY TRAIN ALONG THE SHORES OF LAKE WINNEPESAUKI \$89

The Winnepesaukee Scenic Railroad Train travels from Meredith NH along Meredith Bay clinging to a shelf dug out over 100 years ago for the fast Montreal trains that passed through here. It is a downhill ride most of the way from Meredith to Weirs Beach. Shortly we pass through an area with an unobstructed view of the lake with Mt Belknap in the background. Now we are on a level with the lake and shortly we arrive at Weirs Beach, home of the MV MT Washington. We continue our ride to Lakeport all the way along the shore of "Paugus Bay" past seasonal residences on the right of the train with the cool blue water of Paugus Bay on the left. Several Marinas are passed through as well as the one mile shoreline of "Southdown Shores", a gated condominium complex. This complex has one mile of shore line on the lake. We pass through their marina and beach area waving to residents and friends and arrive at the turning point of the ride at Lakeport NH. There is no station here so passengers relax on board while our engine crew disconnects the locomotive from the trains so it can run around the train. Lakeport is the only water outlet from the lake. From here all the water flows over a small dam in Laconia/Lakeport to Lake Winnisquam then to Silver Lake in Belmont NH, through Tilton, Franklin where it joins the Pemigewasset to become the Merrimac.

Enjoy a full hot Turkey Dinner served to your group on the train. This is a Famous Hart's Catered Home Made Style Dinner as Grandma served at Thanksgiving. Meal Includes Turkey, Potato, Gravy, Stuffing, Cranberry Sauce, Roll, Vegetable, Beverage and Dessert too!
