

1 Day Newport Harbor Sail on the Two Masted Schooner “ Madeline” to see the Tall Ships. \$129 July 5 2012

Day 1: The tall ships return to Newport RI on July 5. Join us on July 5 as the tall ships sail into Newport Harbor. In July of 2012, the pageantry of the tall ships will sail into Newport Harbor once again for the Ocean State Tall Ships® Festival. As an official host port for the TALL SHIPS CHALLENGE® series on the Atlantic Coast, the event promises to bring hundreds of thousands of spectators and visitors to Newport, Rhode Island.

The scenic and historic waterfront of Newport is the idyllic setting to observe the splendor of the tall ships, and families delight in the majesty of the Parade of Sail through Newport Harbor. This event will also feature exhibits, food, music and family entertainment. Children especially enjoy boarding these remarkable vessels, and the opportunity to meet international crew members provides all visitors with insight into the many unique cultures that have helped to shape the past and future of sailing.

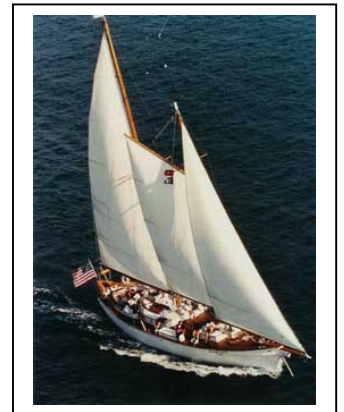

As Governor of the State of Rhode Island, I am proud that Newport will be an official host port for the TALL SHIPS CHALLENGE® series on the Atlantic Coast in the summer of 2012. 2012 marks the 200th anniversary of the War of 1812, a defining event in the national history of the United States and Canada, and our citizens are excited to commemorate this important bicentennial.
