

Tye's Tours Presents Chocolate, Wine & Lobster Only \$85

You will depart the South Shore at 8:30 Am for **Swan Chocolates** located in Merrimack, NH. At arrival at the Chocolate factory you will learn about the history of Chocolate and what differentiates different types of chocolate. You will discover that chocolate like wine flavors are determined by the environment, the soil and the sun. You will taste chocolate from around the world and be begin to identify the different nodes. While at the Chocolate store you will be able to dip fruit, pretzels and other goodies in a chocolate fountain. We caution you to wait a few seconds and allow the chocolate to harden to avoid the chocolate drips on your clothing.

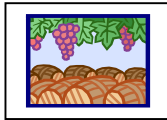

Next it is on to one of our favorite restaurants for a lobster lunch. We will feature a choice of a lobster roll, steamed lobster, broiled salmon, or a grilled chicken dinner.

After lunch we will visit one of NH wineries **Zorvino Vineyards** for a tour and tasting..

Taste several different types of wine and help you identify the wines that are most pleasing to you. At the wineries a talk will be given to help you determine why one type of wine will enhance the flavors of a dish over another. You will learn why grapes are allowed to freeze on the vines in order to raise the sugar level and produce dessert wines and why dessert wines become so expensive. Time permitting a second winery may be visited.
