Day 1: Depart your home town for the Indian Head Resort, arrive in time to enjoy lunch You are welcome to enjoy all of the hotel facilities including an indoor pool. Tonight you will have a **welcome cocktail party, dinner, dancing and evening entertainment.** For those that have been good there will be a visit from Santa with a gift for everyone. **Lunch & Dinner included**

Day 2: This morning after a hearty breakfast we will head south to Warner NH where you will visit one of NH Buffalo Farms. You will be able to see the live animals and shop in the store for Buffalo meat, which is low in animal fat and healthier for us than beef. The owners will explain a little bit about the buffalo industry and how bison or buffalo meat is appearing in more supermarkets. If you have never tried buffalo meat you might want to take some home. Next it is on to the Christa McCaulif Planetarium and Alan Shepard Discovery Center, where Alan Shepard's space capsule is on display. When you see this capsule you will realize how far the space program came in a few short years. In the Christa McCaulif Planetarium the audience directs the show and no two shows are ever alike. This is one of the only interactive planetariums in the country where the show responds to the interest of the audience by pushing yes or no buttons. **Breakfast included**
