Day 1. We depart your hometown for Montpelier Vermont and a visit to the **New England Culinary Institute**. After a tour of the school you will be served a gourmet lunch by the students. The food is always good and served to perfection. After lunch it is a short ride up the road to **Cold Holler** where you can sample fresh pressed Cider, and locally made Jams, Jellies, Relishes and other food products produced in Vermont. For those that enjoy wines you can even go wine tasting. A short distance away is the **Cabot Cheese Store Annex** where you can taste and purchase a variety of Vermont Cheeses. It is only a short ride to Burlington where you will be greeted with hot Cider and Cookies. You will have a chance to freshen up before sailing on a sunset Dinner cruise around Lake Champlain. Be sure to keep your eyes open for Champs the creature that is supposed to be a cousin to the Loch Ness Monster. **Lunch & Dinner**

Day 2 After breakfast you will travel by motor coach to Plattsburg NY where you will board **Amtrak for a scenic ride through the Adirondack's**. Often in the fall Amtrak places commentators on the trains for this run. The Adirondack route has been voted as one of the 10 most scenic rail trips in the country. (you will be on the train five hours and there is a snack bar car on the train) You will arrive in Albany at around 5:30 pm and our dinner stop will be the Golden Coral. Many of our customers tell us the Golden Coral is their favorite of any of the chain restaurants. Tonight we will overnight in Albany at the Comfort Inn **Breakfast and Dinner**

Day 3 After Breakfast we will make a stop at the NY State Museum one of the most interesting Museums in the area displaying everything from History to wildlife. Then it is on to the Springfield Mass area for a special lunch with entertainment. We will return home in the late afternoon. **Breakfast and lunch**
