

# BAKED LOBSTER RANGOONS

## Ingredients

1 clove garlic, minced  
1 (8 ounce) package cream cheese  
2 green onions with tops, thinly sliced  
2 teaspoons Worcestershire sauce  
1/2 teaspoon light soy sauce  
48 wonton wrappers  
6 oz of lobster meat chopped.

1. Preheat an oven to 425 degrees F (220 degrees C). Lightly spray baking sheet with cooking spray.
2. Combine garlic, cream cheese, crab, green onions, Worcestershire sauce, and soy sauce in a bowl. To prevent wonton skins from drying, prepare only 1 or 2 Rangoon<sup>3</sup> at a time. Place 1 teaspoon of filling onto the center of each wonton skin. Moisten the edges with water and fold the wonton skin diagonally to form a triangle, pressing edges to seal. Moisten one of the bottom corners. Create a crown by pulling both bottom corners together and sealing. Arrange the Rangoons on the baking sheet and lightly spray with cooking spray.
3. Bake in the preheated oven until golden brown, 12 to 15 minutes.

This recipe also works well with smoked salmon in place of lobster

I was just in Maine and lobster was \$4.39 a pound
