Cher A New Broadway Musical

DO YOU BELIEVE IN LIFE AFTER LOVE?

Cher certainly does, having given her blessing to this new musical about her life and career.

The Cher Show is based on the life of Cherilyn Sarkisian La Piere Bono Allman or as her friends call her, Cher! The kid on a tricycle, vowing to be famous. The teenage phenom who crashes by twenty. The glam TV star who quits at the top. Cher's remarkably true story is brought to life in this new musical "We have been discussing this musical for 10 years," Cher a pop star and Academy Award-winning actress, said in a statement. "It's exciting and scary." The musical has an unusual approach — it will be structured like a variety show, nodding to "The Sonny & Cher Comedy Hour", which helped propel her to celebrity in the 1970s. The show currently features all or part of 35 to 40 of Cher's best-known songs. 'The Cher Show' is not linear, and it is entirely psychological -it takes place in her psychological closet, and in that closet is everything she's ever been in her life — everything she has ever played, every song she's sung, everyone she's been married to, every pair of shoes she's worn, every success and every failure," "The show is very funny, emotional, and really tells you how Cher managed to keep knocking down doors that were closed against her — she forced people to see her," "She's had a big roller coaster of a life, and it's all played out in the media, but this show lets the audience underneath all of that, to see what they didn't see in the tabloids." Expect to hear some of her greatest songs. From 'I Got you Babe' to 'Gypsies, Tramps and Thieves', 'If I Could Turn Back Time' "Believe" So dig out those rhinestones and leather and get preparing for the jukebox musical we've all been waiting for! Directed by Tony nominee Jason Moore ("Avenue Q") and featuring a book by three-time Tony nominee Rick Elice ("Jersey Boys"),
