

TYE'S TOURS

1 DAY MAINE LIGHTHOUSE TRAIL

Our day begins with a visit to Stonewall Kitchens for a sampling of their products. Next it is on to Nubble Light, one of the most photographed lighthouses on the Maine Coast. For Lunch we will feature a Maine Lobster Lunch. Then it is on to visit the Portland Headlight and learn why George Washington commissioned a fort at this point and ordered a signal fire to be lit. Our next stop will be the lighthouse at either Spring Point or Bug light. Several lighthouses will be seen today, while learning how the lighthouses are maintained and the many chores of the lighthouse keepers. A brief stop will be made in Kennebunkport for shopping.
