\$1199 Dbl \$1599 Sgl

plus

Air from Manchester \$500

Air out of Boston \$525

The Ultimate Country Music Fan Experience™ began in 1972 as Fan Fair®, which drew 5,000 fans to Nashville's Municipal Auditorium. Having just wrapped its 47th year, the legendary festival has become the city's signature Country Music event that hosts fans from all 50 states, Puerto Rico and 36 foreign countries. In 2018, CMA Fest featured 11 stages with over 300 acts – all to benefit music education. Since 2006, CMA and the CMA Foundation have invested more than \$21 million to sustainable music education initiatives across the U.S. thanks to the fans who attend CMA Fest and the artists who donate their time. CMA Fest is filmed for a three-hour ABC Television Network special. 2018 marks the 15th consecutive year of the broadcast. Nashville is the true home to country music, even nicknamed “Music City USA” and the CMA Music Festival is the premier event in all of country music. The top performers in the industry come out for concerts, autograph sessions, and picture opportunities.

The CMA Music Festival takes place around three venues in the downtown area of Nashville. The first is **the Music City Center** where all of the booths are contained in air conditioned comfort. The **Riverfront Park stage** and many other stages around the downtown area feature shows from some of the best of the current, past, and some of the up and coming stars in country music all day long. At night, **Nissan Stadium lights** up the town with the best labels in town showing off the top artists of today all together in one place.

Plenty of time for you to enjoy the Honky - Tonk Bars meet your favorite stars and enjoy the music of Nashville.
